## Speaking Topics

### Safety and Social Media

The alarming rate in which social media is used to find our vulnerable and take advantage is sickening. Andromeda's has a passion to make a large dent in this issue.

### Finishing Your Book

Have that book you can't seem to complete, learn the steps and how-to in order to get it done.

### Social Media for Artists

Can art be sold online, is there a group looking for the art you made, where and how do you find them? The answer to all these questions are yes.

### Internet and Social Media Basics

Andromeda has been building websites for more 20+ years, teaching herself along the way. She loves to teach others how to be able to use the Internet and all the fun stuff from here on out.

## Bio

Andromeda is able to speak about marketing, the Internet and social media, from her unique perspective of over 20+ years working during the development of marketing on the Internet and loves to make the tools more useful to everyone.

She has worked one-on-one with executives and artists. She has taught small groups of 5. She has spoken to crowds of hundreds.

**Previous speaking engagements** have included, Kiwanis Clubs, Internet Search Engine Forums, presentations to boy scouts, classrooms and special clubs.
